SCULPTED FOR EVERY SPACE

Each ZENO piece is thoughtfully enveloped in carefully chosen textiles, featuring a gently curved shell complemented by deep-fill upholstery for exceptional all-day support. With its subtle colour palette and compact design, this collection integrates seamlessly into a variety of interiors, from boutique lobbies to creative studios.

REFINED CRAFTSMANSHIP

Precision stitching with elegant curves, showcasing refined craftsmanship and attention to detail.

STAINLESS STEEL H.A.T. BASE

Heavy-duty solid stainless steel height-adjustable base, offering excellent stability, durability and a sleek, refined profile for versatile seating applications.

DRAFTING H.A.T. BASE

Aluminium 4-star high base with aluminium and steel foot ring, paired with a Class 4 gas lift for comfortable, stable and reliable elevated seating.

WOODEN BASE

Solid wooden base with integrated steel footrest, combining natural warmth, sturdy support and lasting durability with a refined contemporary appearance.

4-LEGGED METAL HIGH BASE

Epoxy-coated metal base with footrest, providing excellent stability, durable support and a clean contemporary profile for elevated seating.
